

You are invited to Catch the Vision for starting New United Methodist Churches in Arkansas.

Thanks to your generous support of Catch the Vision, we have nineteen United Methodist Churches that have opened their doors in less than five years. These nineteen new churches (seven of which are less than one year old) are already giving evidence that they will be good investments for the Kingdom.

- Nineteen new United Methodist Churches
- 2,045 average worship attendance
- 44 reaffirmations of faith
- 504 professions of faith
- 351 baptisms

"We want to thank you and the United Methodist Church for starting "Living Waters" here in Bentonville. A few years ago my wife and I were involved in drugs and alcohol and nearly lost custody of our two year old son. The church not only changed our lives but it helped us get back on our feet. We both are now drug and alcohol free. We thank God that our journey brought us to Living Waters."

"My children brought me to Christ UMC. They had been invited to go to church with some of their friends. Reluctantly I went, not wanting to give up my only morning of the week when I could sleep in. Something changed that day. I now look forward to going to worship and study about God, and see these people I now consider my family."

"I support Catch the Vision because as a lifelong Methodist, I care about the future of The United Methodist Church. New church starts means new people coming into the church - new disciples for Jesus Christ working for the transformation of the world." Rev. Rebecca Wiseman
